

I'm writing to you because I am very concerned that K-Love Radio will possibly be negatively affected by LPFM and will not be able to broadcast as they presently operate.

I would probably say that K-Love is on my radio 75% of the time. It gives me stability in a very fast-paced, crazy world. I support K-Love financially because I know they positively affect lives. Our community is better served with K-Love on the air because of the positive, uplifting, insightful, and encouraging songs, words, and prayers that they broadcast everyday.

The public interest is at stake when deciding to alter K-Love's ability to broadcast. Why? Simple. They are a beacon of light in a world that has plenty of dark things (just watch the news!) that surround us. Our ears, minds, hearts and our world is better served with K-Love on the air.

In addition...We subscribe (free subscription) to K-Love's Daily Devotional Booklet that my wife and I read every morning as we get ready for work.

I also receive every morning on my computer (after I've listened to K-Love Radio on my drive into work) K-Love's "Encouraging Word". This is a scripture verse to start the day out on a solid note. I then email this Encouraging Word to about 150 people around the country and around the world. Does it encourage others? I usually "hear it" from those recipients when I'm out of the office and they don't receive it...I would say it does encourage them!

I hope my thoughts and comments here help keep K-Love radio as it is...an awesome vehicle to broadcast positive music across the air.

Thank you for your time.

James Balam
